REMARKS

Claim Status

Claims 1, 2, 4, 10, and 11 are pending in the present application. Claim 1 is amended. Claims 3 and 5-9 have been withdrawn. Claims 12-21 have been cancelled. No additional claims fee is believed to be due.

Non-Responsive Reply

The Office Action indicates that Applicants' Response of May 7, 2007 was unresponsive because "[t]he listing of claims [do] not include the text of all pending claims (including the withdrawn claims)." To overcome this issue, Applicants have re-inserted the text of the withdrawn claims.

Arguments included in the May 7, 2007 Response are repeated below exactly as they appeared in the May 7, 2007 Response.

Rejection Under 35 USC §102 Over Pargass

Claims 1, 2, 4, 10 and 11 are rejected under 35 USC §102(e) as being anticipated by Pargass. This rejection is traversed in light of Applicants' amendment to Claim 1. Specifically, Pargass does not teach inkjet printing. Further, the printing technology taught by Pargass (*i.e.*, utilizing master roll(s)) is incompatible with online printing as claimed by Applicants.

Rejection Under 35 USC §103(a) Over Pargass in view of Stavrulov

Claim 4 is rejected under 35 USC §103(a) as being unpatentable over Pargass in view of Stavrulov. This rejection is traversed for the same reasons mentioned above.

Conclusion

This response represents an earnest effort to place the present application in proper form and to distinguish the invention as claimed from the applied reference(s). In
